## PROFESSIONAL SUMMARY

---

Creative and motivated visual creator with hands-on experience in photography, videography, and basic graphic design. Skilled in handling DSLR and mirrorless cameras with a strong understanding of camera settings, exposure, and composition. I enjoy capturing emotions, events, product details, and visuals that connect to brand shoots. I am a quick learner, passionate about storytelling through visuals, and eager to contribute to a creative marketing agency's projects while continuously learning and growing myself.

## KEY SKILLS

---

- Skilled in DSLR and mirrorless camera handling (Sony A7 III, Canon, Nikon) with strong understanding of the exposure triangle and shooting modes.
- Able to shoot and edit videos for events and short content; basic editing knowledge of Adobe Premiere Pro and mobile editing apps.
- Proficient in Adobe Lightroom and familiar with Photoshop and Canva for photo editing and simple graphic design work.

## PROJECTS & EXPERIENCE

---

### Freelance Photographer

- Covered local events, functions and small gatherings; captured candid moments, highlight shots, and natural imagery.
- Conducted nature and wildlife shoots around hometown; produced high-quality photographs emphasizing details, lighting, and composition.
- Edited and delivered photos using Lightroom; managed client requirements and delivery deadlines.

### College Media & Design Team Member

- Filmed and edited videos for college events and celebrations. Handled shooting and post-production work.
- Designed posters and brochures for college activities using Canva and Photoshop/Lightroom.
- Collaborated with peers for creative planning, layout decisions, and event coverage.

### Creative Highlights

- Nature & Wildlife Photography Series - exploring natural landscapes, textures, wildlife, and detail-rich compositions.
- Event Photography - capturing expressions, moments, and emotions during events, both candid and staged.
- Video Highlights & Event Coverage - edited video reels from event footage, turning raw footage into presentable content.
